

HENGKY

Web Design & SEO

I am very happy to design a website to be interesting and helpful in creating a website as everyone or company needed and i have good SEO Experience.

About Me

Hi, My Name's Hengky, I'm Bachelor of Information and Technology from STMIK LIKMI Bandung and now I'm 27 Years old, I have good health conditions, Loyalty, honesty, resilience and i can learn according to new things for quickly. Besides that, I was able to speak Indonesian well and politely, and I also quickly made communication with the work team so I hope I can contribute to the work at this company.
